## Impeccable Design and Finish

After years of looking for the perfect home site, the sellers of this residence built upon the perfect spot within the exclusive gated community of Cantabrica with inspiring mountain views and privacy.

With focus on every detail, the quality of care, craftsmanship & finishes were brought to fruition in 2013 by renowned Dennes Mikalacki of Red Rock Custom Homes, creating an exquisite private retreat capturing the desert surround & sweeping mountain views.

Room by room, the interior is accented with tasteful use of travertine flooring, cantera fireplaces and pillars, venetian plaster, custom light fixtures including imported jewel like chandeliers, ceiling treatments ranging from bricked domed to groined vault to hand hewn cross beams, custom waterworks and behind the walls, the best of technology making this a smart home. Each of the main home's 4 bedrooms all ensuite with private travertine bathrooms, walk-in closets, and access to patios. The master suite offers a private seating area, dual walk-in closets, resort styled bath area, and adjacent executive office. A separate guesthouse finished in the same manner as the main home and can double as a pool house boasts its own kitchenette, full bath, and sleeping area.
