New to the market. Immaculately maintained home built in 2010 in the gated community of Quisana showcases fine finishes and architectural details galore. Upon arrival, notice stacked stone exterior accents, mature landscaping, and separate two bay garage doors, and gated courtyard complete with cozy fireplace. Once inside the entry rotunda foyer, the great room opens the kitchen, dining, and family room to each other with large sliding pocket doors to the exterior. Travertine floors and neutral carpet in the bedrooms accent real hardwood floors and baseboards throughout the main living areas. The large kitchen has stainless steel appliance, granite slab counters, rich wood cabinetry with glass accent pieces, wine fridge, double oven, and an oversized island. Relax in the backyard with 2016 completed pool and spa, built in BBQ, putting green, and large patio spaces while taking in the Troon Mountain views. Retreat to the master suite with stately cantera columns, fireplace, sitting room, large walk in shower and soaking tub, extended double vanity with seating, and walk-in closet. The secondary bedroom has an ensuite bath and separate access to the front courtyard.
