Captivating Sunsets

Welcome home to this extensively upgraded 2014 like-new build. Perfect for your year-round sanctuary or of the lock-and-leave seasonal visitor, this home is like new and barely lived in. Located in the gated community of Quisana at Troon North, this energy-star rated home boasts a fabulous floor plan and completely upgraded features.

The tumbled travertine courtyard, stone entrance fireplace and views of Troon Mountain are just the beginning. These features lead immediately to the richness within the residence, including popular details such as the gorgeous custom 8' glass and iron door, 12' ceilings in great room and halls and 10' ceilings in kitchen and bedrooms. The grandness is made complete with the kitchen's massive granite island, basket weave tile backsplash, upgraded cabinetry, and top of the line appliances. Sure to please, exquisite lantern pendant lighting warms the dining room, inviting homeowners and guests in for entertainment and shared meals. In addition to opulence throughout the main rooms in the home, the split guest ensuite and two and a half additional bathrooms are equally upgraded featuring granite countertops, bronze faucets, and powder room with vessel sink. Last but not least, the master's tray ceiling is gorgeous, with private spa-like bathroom complete with soaking tub and no-step shower.
